South Eastern Community Care (SEC Care) is a Tasmanian not-for-profit organisation that provides quality community care to people of all ages.

At SEC Care, we have supported people to live independently in their homes and community for over 45 years.

We offer a range of flexible in-home care, community support and centre-based services to people who require assistance in Southern Tasmania.

We have Day Centres located at Sorell, Brighton and Orford, offering a wide range of services and activities for SEC Care clients and their carers.

Access to all services and programs is by referral from health professionals, referral agencies or by self-referral. Call us today on 03 6269 1200 to discuss your options.

Quality care is provided by experienced and qualified staff and dedicated volunteers in accordance with National Standards and Program Guidelines.

SEC Care services are supported by funding from the Tasmanian Government and by the Crown through the Department of Health.

The organisation is a non-government benevolent association and has a "Gift Fund" for the receipt of donations from the public. Donations are tax deductible, are very much appreciated and are used to enhance client services.
